

the EVASONS

WORLD'S FOREMOST MENTALIST DUO

The Evasons are one of very few couples who still travel around the globe to carry on the rare and incredible talent known as *Second Sight*. From the moment they walk on stage, Jeff & Tessa Evason engage and interact with the audience. People are often speechless when Tessa reveals birth dates, a serial number on any bill in a borrowed wallet or even the name of distant loved ones — all while standing on stage wearing a blindfold. Her intuitive gifts will captivate you. You might even unleash a spooked-out shriek!

Since 1983 The Evasons have performed in over 38 countries and on network TV specials in Canada and the USA. They've received some of the top awards in their field. In 2017 they were nominated for Stage Entertainers of the Year at the world-famous Magic Castle in Hollywood.

Remember, no confederates or hidden communication devices are used and they offer a \$100,000 reward if anyone can prove otherwise! Even the skeptics will be amazed after seeing The Evasons in action!

Join The Evasons for mind-blowing feats that'll have everyone buzzing long after the show ends!
