ANNOUNCER: Some things in life just can't be explained. Put the Evasons at the top of your "I don't get it" list. Tessa and Jeff Evason put on a psychic - mentalism show that will blow your mind. In fact, they've amazed audiences world-wide with their incredible feats of ESP, telepathy and levitation. The Evasons have demonstrated the powers of the mind for millions of TV viewers on shows like NBC's "World's Greatest Magic" and Fox's "Powers of the Paranormal". Watch a blindfolded Tessa identify the names and birth dates of audience members she's never met before. She'll describe photos in your wallet and even tell the names of people in the photo, or recite the serial number from a bill in someone's wallet. The Evasons don't ask you to believe, but their show has transformed thousands of skeptics. Whether you believe or not, this is one action-packed, thrilling show that has audiences on their feet – and it's coming to [PLACE] on [DATE]. Be a part of the crowd and get totally psyched!
