

# the EVASONS

Mentalist Duo | Telepathists

During the early 19th century, a small number of married couples gained significant notoriety with performances of *Second Sight*. The Evasons are one of very few couples in history who have mastered the incredible artistry of two person telepathy. They continue to travel around the globe as they share this rare and mysterious legacy.

From the moment they walk on stage, Jeff & Tessa Evason interact and engage with everyone in the audience. People are speechless when Tessa perceives birth dates, personal items, a serial number on any bill in a borrowed wallet or even the name of distant loved ones — all while standing on stage wearing a blindfold. Her intuitive gifts will captivate you. You might even unleash a spooked-out shriek!

The Evasons have traveled to over 38 countries, performing at private parties and gala events. They've appeared on network television in North America and around the world. And they have received some of the top awards in the field of magic and psychic entertainment.

Feeling a little skeptical? Remember, there are no stooges, hidden wires or secret electronic communication devices. In fact, they will give \$100,000 to anyone who can prove otherwise!
